

## PREMIUM

# Pre-Departure Checklist

From eVisa confirmed to clearing the New Zealand border

---

## 2-4 weeks before departure

- Check your eVisa's validity dates and conditions, linked electronically to your passport
- Check your passport's remaining validity against your planned departure
- Confirm flights and accommodation for your stay
- If travelling under a sponsorship arrangement, confirm your sponsor's details still match what was submitted

## The week before

- Save or print: passport photo page, eVisa confirmation, flight itinerary, and accommodation confirmation
- Reconfirm your itinerary matches what you stated in your application
- Share your itinerary and emergency contacts with someone at home

## Day of travel

- Arrive at the airport with sufficient buffer time
- Keep your passport and printed documents in your hand luggage

## At the New Zealand border

A Customs and border official makes the final entry decision, and can ask questions consistent with your application.

- Be ready to show your return/onward ticket and accommodation proof
- Declare food, plant, and animal products carefully - New Zealand's biosecurity screening is strict, and undeclared items can lead to on-the-spot fines separate from any visa issue
- Track your permitted stay length carefully if travelling on a multi-entry Visitor Visa
