Visa Appointment Checklist

Germany - National Student Visa, application/biometric appointment day

Before your appointment

- Confirm your appointment location, date, and time - book early given variable wait times
- Complete your application form and gather your document set
- Confirm your Sperrkonto is set up with an approved provider, or your alternative financial mechanism is in place
- Confirm your health insurance arrangement matches your circumstances (GKV or private)

What to bring

Item	Notes
Passport	Valid, with required blank pages
Zulassungsbescheid	Original admission letter
APS certificate	If required for your nationality
Sperrkonto confirmation	Or your alternative financial evidence
Insurance confirmation	GKV or private, as applicable
SOME MISSIONS INTERVIEW STUDENT VISA APPLICANTS Unlike the Tourist Visa route, some German missions do interview National Student Visa applicants, especially where something in the file needs clarifying. Be ready to explain your course choice, university, and study plans clearly.	

At the appointment

- Arrive at your booked time
- Documents are checked for completeness
- Fingerprints and a photo are taken

After your appointment

- Track your application status as instructed by the consulate

- If approved, check your visa sticker's validity before you travel
- If refused, see the Refusal Decision Guide (Premium tier)
