

COMPLETE

Visa Appointment Checklist

Germany - Schengen Tourist Visa, application/biometric appointment day

Before your appointment

- Confirm your appointment location, date, and time - book as early as possible given variable wait times
- Complete your application form and gather your document set
- Buy travel medical insurance before your appointment
- Confirm your host has obtained their Verpflichtungserklärung, if relevant, well in advance

What to bring

Item	Notes
Passport	Valid, with required blank pages
Application form	Printed and signed
Insurance certificate	Showing coverage amount, duration, and geographic scope
Verpflichtungserklärung	Original from your host, if applicable
Supporting documents	Financial, accommodation, and itinerary evidence
USUALLY NO INTERVIEW Most Tourist Visa applications are decided on the written file. Your appointment is mainly for document submission and biometrics, not a substantive interview, though questions may be asked if something needs clarifying.	

At the appointment

- Arrive at your booked time
- Documents are checked for completeness - missing items can mean rebooking
- Fingerprints and a photo are taken, unless exempt

After your appointment

- Track your application status as instructed by the application centre or mission

- If approved, check your visa sticker's validity and permitted entries before you travel
- If refused, see the Refusal Decision Guide (Premium tier)
