Document Checklist by Applicant Type

Self-funded - Family-funded - Scholarship/Sponsored - With family - Under 18

Every applicant needs

- Your CoE from a CRICOS-registered provider
- Valid passport or travel document
- Financial evidence meeting the cost-of-living formula (see the Financial Requirements Overview)
- Overseas Student Health Cover (OSHC) for your entire intended stay
- A Genuine Student statement (see the Genuine Student Statement Templates, Complete tier)
- Academic transcripts or English test results your CoE was conditional on

If you're self-funding

- Personal bank statements showing the required amount, covering a reasonable recent period

If a parent or relative is funding you

- Their bank statements or financial evidence showing the required amount
- A letter confirming the relationship and their commitment to fund your studies - see the Sponsor & Financial Letter Templates (Complete tier)

If you're sponsored by a government or institutional scholarship

- An official confirmation/sponsorship letter from the sponsoring body, covering fees and/or living costs as applicable
- If the sponsorship only covers part of the cost, you'll still need to evidence the remainder yourself

If you're under 18 at the time of application

WELFARE ARRANGEMENTS FOR MINORS

Applicants under 18 need approved welfare arrangements - either an approved custodian in Australia or accommodation and welfare arranged directly by your education provider. Check your specific provider's process if this applies to you.

If you're bringing accompanying family members

- Additional financial evidence covering their living costs too - see the Financial Planning Calculator (Premium tier), which accounts for each additional family member
- Their own supporting documents (relationship evidence, passports, and OSHC cover) as part of the combined application
